

## Penn Aluminum Conduit & EMT Declare Labels:

At Penn Aluminum Conduit & EMT, we are dedicated to promoting sustainability and transparency in the building industry. As a part of our commitment, we proudly present our Declare Labels, a key element in our journey towards creating healthier and more sustainable environments.

Declare Labels, often referred to as a “nutrition label” for building products, provide clear and concise information about the material and ingredients used in our products. These labels are part of the International Living Future Institute’s Declare program, which aims to drive transparency and material health in the construction industry.

**Declare.**

**Blue Lightning Electrical Metallic Tubing (EMT)**
