RE: Penn Aluminum Conduit & EMT "Build America, Buy America Act" Product Declaration

Dear Valued Customer:

This letter is to confirm and serve as documentation that Penn Aluminum conduit products are 100% manufactured domestically in the United States and meet the provisions of the Build America, Buy America Act (BABA) for the "manufactured products" category.

The products, including rigid aluminum conduit, rigid aluminum conduit elbows, and aluminum electrical metallic tubing (EMT), are manufactured from aluminum extrusions produced in the Penn Aluminum facility in Murphysboro, IL.

Regionally sourced United States domestically produced recycled aluminum billet is used to manufacture Penn Aluminum Conduit & EMT products.

Penn Aluminum certifies that these products:

1. Meet the Provisions of the Buy American Act and Build America, Buy America Act (BABA)
2. Meet or exceed the UL 6A Standard for Safety for Electrical Rigid Metal Conduit – Aluminum, Red Bronze, and Stainless Steel (UL File #E514709)
3. Meet or exceed the UL 797A Standard for Safety for Electrical metallic Tubing – Aluminum and Stainless Steel. (UL File #E513195)
4. Meet or exceed the ANSI C80.5 Standard for Electrical Rigid Aluminum Conduit
5. Meet or exceed the ANSI C80.3 Standard for Electrical Metallic Tubing (EMT)
6. Meet or exceed the UL equivalent CSA and NMX Tri-national Standards

Penn Aluminum is a United States company and is part of Marmon Holdings which is wholly owned by Berkshire Hathaway Inc.

If additional information is required, please visit our website www.pennconduit.com or email us at conduitsales@pennaluminum.com.

We value our customers, and we are proud of the opportunity to service the American Electrical Construction Industry.

Sincerely,

Bart Potter
Director of Business Development

The Smart Choice.
